

I hereby state my intention to attend World Youth Day events in Sydney as part of the group attending from New Zealand, drawing from the communities of St Marks Parish, Our Lady Star of the Sea parish and St Luke's Community.

I understand that I am responsible for the full anticipated costs for attending (including registration, travel costs and immigration documentation) and will need to contribute personally any shortfall in fundraising.

I understand that as part of this group that will be fundraising, all monies raised will be allocated to pilgrims on an individual basis. This may take the form of money donated directly to a particular pilgrim, pro-rata based on participation in parish-based events or pro-rata based on the numbers of pilgrims if the events are held within the pastoral area.

I consent to the use of my name, image and thoughts being used as part of any and all promotion of World Youth Day within the Diocese of Auckland.

I understand that the World Youth Day Pilgrimage begins now. This journey to Sydney 14-20 July 2008 will include taking part in various formation activities that will be available within the Diocese of Auckland.

I understand that my deposit of \$100 is non-refundable.
